Sprint 2 Plan

Product: RIFFAGE

Team: RIFFAGE

Sprint Completion Date: 11/5/2017

Revision 1 - 10/23/2017

<u>High-Level Goals</u>

Add template for page format, i.e., make the pages look consistent and nice.

Provide an interface for searching through the collection of riffs that have been entered.

Allow users to edit existing riff information within the app.

<u>User Stories</u>

<u>User Story</u>	<u>Task</u>	<u>Time Estimate (Hours)</u>
As a user, I want a consistent interface so that I am not confused with every new page I visit.	Find Bootstrap plug-in to use for standard page format..	1
	Download and get the plug-in working for our base.html file.	3
	Communicate the new format to team and ensure that the new format looks good across all existing pages.	2
As a musician, I want a page to search my riff library so that I can find the riffs I want to use.	Research creating an HTML table with searchable columns.	3
	Implement the table into the Collection page.	4
	Testing the search capabilities.	1
As a musician, I want a way to edit my riff entries so that I can build on their description later.	Create Edit button.	1
	Populating Riff form with existing info page to allow updating + testing.	4

| As a musician, I want a way to attach audio files to the riff entries so that I can hear what they sound like. | Research audio attachment. | 1 |
| | Implement interface for *attaching* audio to riffs. | 4 |
| | Implement interface for *playing* attached audio on Riff Detail page. | 4 |

Roles

Team Member	Role 1	Role 2	Role 3
Preston Fraser	Product Owner	UX	Developer
Morgan Grant	Developer	Database	Backend
Ryan Reeves	Scrumlord	UX	QA
Samir Shingane	Developer	UX	Qa

Task Assignments

Team Member	User Story	Initial Task
Preston Fraser	As a musician, I want a page to search my riff library so that I can find the riffs I want to use.	Research creating an HTML table with searchable columns.
Morgan Grant	As a musician, I want a way to attach audio files to the riff entries so that I can hear what they sound like.	Research audio attachment.
Ryan Reeves	As a user, I want a consistent interface so that I am not confused with every new page I visit.	Find Bootstrap plug-in to use for standard page format.

Samir Shingane	As a musician, I want a way to edit my riff entries so that I can build on their description later.	Finish building the editing of entries
